

# Are You For or Against Wind Farms?

Imagine a wind farm is going to be built near the place where you live. Do you think they are a good thing for the environment or bad for the environment? Write down what you think about them in each of the speech bubbles.

Speech bubble for writing an opinion.

Speech bubble for writing an opinion.

Speech bubble for writing an opinion.

Now your class have some ideas you could hold a class debate about wind farms. Decide who will speak for the new wind farm and who will speak against the wind farm.
